

H2020 projects the University of Iceland is participating in - February 2018

Project name	Action	School	Grant amount - University of Iceland - in Euros
Sound of Vision	Health, demographic change and wellbeing	School of Engineering and Natural Sciences	1.336.898
ELENA	Marie-Sklodowska-Curie Actions	School of Engineering and Natural Sciences	807.436
MGUS	European Research Council (ERC)	School of Health Sciences	1.474.304
DENOVO-RBC	European Research Council (ERC)	School of Engineering and Natural Sciences	150.000
VALUMICS	Food security, sustainable agriculture and forestry, marine and maritime and inland water research and the bioeconomy	School of Engineering and Natural Sciences	1.091.226
HECoW	Marie-Sklodowska-Curie Actions	School of Humanities	191.326
ESPSI	Marie-Sklodowska-Curie Actions	The Science Institute	179.326
AdaptEconII	Marie-Sklodowska-Curie Actions	School of Engineering and Natural Sciences	1.076.581
StressGene	European Research Council (ERC)	School of Health Sciences	1.996.544
PROMISS	Food security, sustainable agriculture and forestry, marine and maritime and inland water research and the bioeconomy	School of Health Sciences	86.919
CarbFix2	Secure, clean and efficient energy	The Science Institute	349.122

MINOUW	Food security, sustainable agriculture and forestry, marine and maritime and inland water research and the bioeconomy	<u>The Science Institute</u>	451.185
SUCCEESS	Food security, sustainable agriculture and forestry, marine and maritime and inland water research and the bioeconomy	<u>The Institute of Economic Studies</u>	390.375
SAF21	Marie-Sklodowska-Curie Actions	<u>School of Engineering and Natural Sciences</u>	269.145
CoExAn	Marie-Sklodowska-Curie Actions	<u>The Science Institute</u>	261.000
transMed	Marie-Sklodowska-Curie Actions	<u>School of Health Sciences</u>	269.145
PrimeFish	Food security, sustainable agriculture and forestry, marine and maritime and inland water research and the bioeconomy	<u>The Institute of Economic Studies</u>	396.651
METAL-AID	Marie-Sklodowska-Curie Actions	<u>The Science Institute</u>	269.145
MaKEY	Marie-Sklodowska-Curie Actions	<u>School of Education</u>	54.000
MOCHA	Health, demographic change and wellbeing	<u>School of Social Sciences</u>	48.975
S4CE	Secure, clean and efficient energy	<u>The Science Institute</u>	475.355
DEEP-EST	Future and Emerging Technologies (FET)	<u>School of Engineering and Natural Sciences</u>	387.860
HBM4EU	Health, demographic change and wellbeing	<u>School of Health Sciences</u>	610.844
Upright	Europe in a changing world - inclusive, innovative and reflective societies	<u>School of Education</u>	687.569
EUROVOLC	Research Infrastructures	<u>The Science Institute</u>	437.000
Geo-Cot	Secure, clean and efficient energy	<u>School of Engineering and Natural Sciences</u>	705.672
Change	Europe in a changing world - inclusive, innovative and reflective societies	<u>School of Social Sciences</u>	215.000
